## 2.5Inch Round Zinc Alloy Sport Medal With Heat Transferred Ribbon Matte Nickel Finish

### Product Description:

Our Metal Sport Medals are made using the die casting process, which allows us to create highly detailed and intricate designs that truly capture the essence of your sporting event. The medals are then finished with a soft enamel color, which gives them a vibrant and eye-catching appearance that will make them a cherished keepsake for years to come.

The round shape of these custom award medals is perfect for sports events of all kinds, from track and field meets to basketball tournaments. And with a matte nickel finish, these medals have a sleek and modern appearance that will make them stand out from the crowd.

Whether you're organizing a small-scale tournament or a major championship event, our Metal Sport Medals are the perfect way to recognize the achievements of your athletes and showcase your event's unique brand identity. So why settle for generic medals when you can create your own custom engraved medals that truly reflect the spirit and values of your sports organization?

### Applications:

Custom medals are always a great way to recognize the hard work and dedication of athletes, and Progifts Metal Sport Medals 01 are no exception. These medals can be customized to meet the specific needs of your event, with your logo or design prominently displayed.

The enamel medals are heat transferred to a ribbon, making them easy to wear and display.

Whether you are hosting a small local event or a large national competition, Progifts Metal Sport Medals 01 are the perfect choice for recognizing the accomplishments of your participants. These medals are made in China and are of the highest quality, ensuring that your event is remembered for years to come.

The versatility of the Progifts Metal Sport Medals 01 makes them suitable for a variety of occasions and scenarios. They are perfect for cycling competitions, as they are durable and well-designed, but they are also great for other sports and events. The die casting process gives them a level of detail that is unmatched by other medals, and the heat transferred ribbon attachment makes them easy to wear and display.

Overall, Progifts Metal Sport Medals 01 are a great choice for anyone looking to recognize the hard work and dedication of athletes.

Whether you are hosting a small local event or a large national competition, these medals are sure to impress. So why wait? Order your Progifts Metal Sport Medals 01 today and make your event one to remember!

### Customization:

Looking for customized sports medals? Look no further than Progifts' Metal Sport Medals 01! Made with a thickness of 3mm and a size of Dia 2.5inch, these medals have a sleek matte nickel finish and come with a heat transferred ribbon attachment. Plus, with soft enamel colors, your design will truly pop.

Our product customization services allow you to create custom engraved medals that perfectly match your needs. Whether you're looking to commemorate a team victory or award individual accomplishments, our Metal Sport Medals 01 can be tailored to your exact specifications.
