1.5Inches Gold Plated Zinc Alloy Crossed Sabers Metal Pin Badge 3D Die Casted

Product Description:

The Crossed Sabers Metal Insignia is crafted using high-quality materials to ensure durability and longevity. The 3D feature adds depth and dimension to the design, making it stand out from other pins and badges. The Crossed Sabers Pin Badges come with butterfly clutches for easy attachment and secure placement on your clothing or accessories.

The Crossed Sabers Metal Pin Badges are available in a variety of sizes and shapes, but the most popular shape is the Crossed Sabers. This shape is perfect for military organizations, clubs, or groups that use Crossed Sabers as their emblem. The shape also adds a touch of uniqueness and individuality to the badges, making them stand out from other pins and badges.

These personalized metal badges are perfect for individuals, groups, or organizations that want to showcase their loyalty and pride. The badges can be customized with your own design or logo, making them perfect for promotional events, fundraisers, or as a gift for your friends, family, or colleagues.

The Crossed Sabers Metal Pin Badges are versatile and can be used for a variety of occasions, including military ceremonies, formal events, or as a collector's item. They are also perfect for adding to your collection of badges or pins, making them a great investment for any collector.

In summary, the Crossed Sabers Metal Pin Badges are a unique and striking way to showcase your loyalty and pride. The 3D feature, gold plating, and rubber clutches make them durable, elegant, and secure. The Crossed Sabers shape adds a touch of uniqueness and individuality to the badges, making them stand out from other pins and badges. These personalized metal badges are perfect for individuals, groups, or organizations that want to showcase their loyalty and pride. They are versatile and can be used for a variety of occasions, making them a great investment for any collector or enthusiast.

These handcrafted metal brooches are perfect for those looking for Cavalry Regimental Metal Badges.

Applications:

The custom metal pin is a popular product that is widely used in various occasions and scenarios. Its unique 3D feature and die-casted process way make it stand out from other products. The pins come in a standard size of 1.5 inches and are attached with rubber clutches, ensuring they stay securely in place.

The crossed sabers metal pin badges are perfect for military events, such as graduation ceremonies, reunions, and memorial services. They can also be used to show support for troops and veterans. The personalized metal badges are often used for fundraising events, charity walks, and awareness campaigns. Companies can also use them as a promotional product to promote their brand or showcase their logo.

The handcrafted metal brooch is perfect for formal events, such as weddings, galas, and award ceremonies. They can also be used as a gift for special occasions, such as birthdays, anniversaries, and graduations. The bespoke metal insignia is also popular among collectors and enthusiasts who appreciate the craftsmanship and attention to detail that goes into each piece.

The minimum order quantity for the custom metal pin is only one piece, making it easy to order for small events or personal use. The packaging details include individual polybags, ensuring that each pin is protected during transit.

Packing and Shipping:

Product Packaging:

All custom soft enamel pins are individually packaged in a clear polybag to ensure they arrive in excellent condition. For orders of 500 pins or more, we offer custom packaging options including backing cards and gift boxes.

Shipping:

Shipping fees will be calculated at checkout based on the destination and package weight. We offer shipping agency service, as well as official shipping company such as UPS, FedEx, DHL etc. You can also pick up the goods from our factory if you have your own shipping agency.
