Product Description

Gold Custom Zinc Alloy Die Casted Knight Hard Enamel Pins with Butterfly Clutches

Product Description:

The die casted process way used in creating these hard enamel lapel pins has resulted in a beautiful and intricate design that is sure to catch the eye of anyone who sees it. The finishing, in a stunning gold color, adds an extra touch of elegance to the already impressive design.

The crafts used in creating these hard enamel pin badges is the hard enamel technique, which involves filling the recessed areas of the pin with enamel, resulting in a smooth and polished surface. This technique also adds depth and dimension to the design, making it stand out even more.

These custom made pin badges are not only a great addition to your own collection, but they also make for a thoughtful and unique gift for friends and loved ones. The Friendship Flag Knight Design is a great way to show your appreciation for your closest friends and the bond you share.

Overall, the Friendship Flag Knight Design Hard Enamel Pins are a must-have for any pin collector or enthusiast. The attention to detail, quality material, and stunning design make these hard enamel lapel pins a true work of art.
