Product Description

4mm Gold Coins Design Stamping Process For Precision Manufacturing

Product Description:

Our metal coins are perfect for collectors, businesses, and organizations looking for a unique way to commemorate their achievements and milestones. These custom metal coins are perfect for military challenge coins, corporate coins, and even personal coins for your collection.

Our 3D challenge coins are designed with a soft enamel finish, giving it a smooth and polished look. The oblique edge design adds a touch of elegance and sophistication to the coins, making it perfect for display or gifting.

When you purchase our metal coins, you can be assured that you are getting a high-quality product that is made to last. Our coins are carefully crafted and inspected to ensure that they meet our high standards of quality.

Shipping for our metal coins is calculated at checkout based on the destination and package weight, so you can be sure that you are only paying for what you need.

Overall, our 1.75 inches custom gold plated metal coin in 3D design with oblique edge is a great choice for anyone looking for a high-quality and unique metal coin. Whether you are a collector, business owner, or organization looking to commemorate your achievements, our metal coins are the perfect choice.

Features:

This metal coins product comes with an oblique edge and a both sides 3D design, which can be customized according to your preferences. You can design your own coin with a military coin design or any other design of coins. The surface features a laser sequential number while the edge displays letters for a unique and personalized touch. It is an excellent choice for corporate use, especially for employee recognition and motivation.

Applications:

One popular use for Progifts Metal Coins is as a promotional item. Companies can create their own custom coin design with their logo or branding, and use them as giveaways at events or trade shows. The gold plating adds a touch of elegance to the coin, making it a memorable and valuable item for customers.

Another use for Progifts Metal Coins is as a commemorative item for special events. Whether it's a wedding, anniversary, or graduation, a custom gold coin can be designed to celebrate the occasion. The individual polybag packaging makes it easy to distribute the coins as party favors or gifts.

Sports teams and organizations can also benefit from Progifts Metal Coins. Custom coin designs can be created with team logos or mascots, and used as a fundraising item or sold to fans as a collectible item.

Progifts Metal Coins are also a popular choice for military units and law enforcement agencies. Custom gold coins can be designed to commemorate a specific mission or achievement, and given as a token of appreciation to those who served. With a size of 1.75 inch, Progifts Metal Coins are a great option for those looking for a larger coin. And with a supply ability of 50,000 pieces per month, they are available in large quantities for those who need them. In conclusion, Progifts Metal Coins are a customizable and versatile product that can be used for a variety of occasions and scenarios. Whether you're looking to make your own coin design for a promotional item, custom coin design for a special event, or custom gold coin for a military unit or law enforcement agency, Progifts Metal Coins are an affordable and valuable option.
