Product Description

Round Zinc Alloy Coins with Antique Copper Finish Featuring 7 Deadly Sins Design

Product Description:

The background of each coin has undergone a Fine Sandblasting process giving it a unique texture and appearance. The intricate design of the 7 Deadly Sins has been expertly Die Casted onto each coin, resulting in a crisp and detailed finish. These coins have a thickness of 5mm, providing a substantial weight and feel to them. The Round shape adds to the classic and timeless appeal of these coins, making them a great addition to any collection. Whether you're a fan of the 7 Deadly Sins or simply looking for high-quality Challenge Coins, our Antique Metal Coin collection is sure to impress. Don't miss out on the chance to own these beautifully crafted Zinc Alloy Coins.

Applications:

Our custom die casted coins are perfect for military and law enforcement organizations. These coins can be used as a symbol of pride and achievement, given to members who have completed training or to commemorate a special event. Additionally, these coins can be used as challenge coins for friendly competitions between units.

Businesses and organizations can also benefit from our custom metal coins. These coins can be used as promotional items, given as gifts to loyal customers or employees. They can also be used as tokens for events or as a form of currency for games and contests.

Our antique metal coins are also great for collectors, as they make a unique addition to any collection. They can be used as display pieces or traded with other collectors.

Overall, Progifts' custom metal coins are versatile and can be used for many occasions and scenarios. Their high quality and unique design make them a great choice for anyone looking for a special and meaningful item. These coins are proudly made in Zhongshan, China, ensuring their authenticity and quality.
