Custom Metal Coins, Die Casted Antique Coin, Zinc Alloy Coin

Technical Parameters:

Process	Die Casting
Design	Air Show
Shape	Round
Usage	Collectible
Material	Zinc Alloy
Background	Fine Sandblasting
Thickness	5.5mm
Size	2 Inches
Finish	Antique Brass
Features	Spur Edge

Applications:

Our Metal Coins measure 2 inches in diameter, and feature a fine sandblasting background. They are die casted, ensuring durability and longevity of use. The Antique Brass finish gives the coins a classic, vintage look, perfect for any collector.

The round shape of the Metal Coins is accented by a spur edge, adding a unique touch of style. These coins are perfect for a variety of occasions and scenarios.

One possible use for our Metal Coins is as a collectible item for history enthusiasts. The antique brass coin finish and fine sandblasting background give them an aged look, making them a great addition to any history collection. These coins can also be customized with unique designs and engravings, making them a one-of-a-kind item.

Our Metal Coins are also perfect for use in board games and other tabletop games. The 2 inch size is a great fit for game boards or as a marker. The durability of the die casted antique coin ensures they can withstand frequent use, while the spur edge adds an extra element of style to enhance the gaming experience.

Another great use for our Metal Coins is as a custom flat coin for promotional events. The round shape and antique brass finish make them a sophisticated and professional item to hand out to customers or display at trade shows. These coins can be customized with a company logo or design, making them a unique marketing tool.

In conclusion, Progifts Metal Coins are an excellent addition to any collection, perfect for history enthusiasts, board game enthusiasts, and marketing professionals. The Antique Brass Coin finish, die casted antique coin construction, and custom flat coin options make them a versatile and durable item to add to any scenario or occasion.

Packing and Shipping:

Product Packaging:

Each metal coin is carefully packaged in a protective plastic sleeve to prevent any scratches or damage during transportation. Other packaging options are also available with additional cost.

Shipping:

Shipping fees will be calculated at checkout based on the destination and package weight. We offer shipping agency service, as well as official shipping company such as UPS, FedEx, DHL etc. You can also pick up the goods from our factory if you have your own shipping agency.
