## Product Description

### Iron Stamped Metal Trolley Coin Keychain with Soft Enamel Color and Lobster Clasp

#### Product Description:

The thickness of these Metal Trolley Coin Keyring is 2mm which adds to their durability. The material used to make these keyrings is iron which is a sturdy metal that is known for its strength. This means that these keyrings can withstand wear and tear without losing their shine. The size of these keyrings is 22mm in diameter which is just the right size for carrying around on your keychain.

The Soft Enamel color of these Metal Enamel Keyrings is a unique feature that makes them stand out from the rest. This color gives the keyrings a glossy look that catches the eye. The Soft Enamel color also ensures that the keyrings are easy to clean and maintain, making them a practical choice for everyday use.

These Metal Trolley Coin Keyring are perfect for those who are looking for a custom-made accessory that reflects their personality. These Custom Metal Keyrings can be personalized with a special message or image, making them a great gift for family and friends. The Stamped process used to create these keyrings ensures that the design is crisp and clear, ensuring that the message or image is visible. In conclusion, the Metal Key Chains product is a great addition to any set of keys. They are made with high-quality materials and are designed to last. The Soft Enamel color adds a touch of elegance to the keyrings, while the Stamped process ensures that the design is clear and visible. These Custom Metal Keyrings are a great way to personalize your keys and make them stand out from the rest.

#### Applications:

One of the most popular uses for metal keychains is as a promotional item. Companies often order custom metal keyrings to give away at tradeshows, conferences, and other events as a way to promote their brand. Progifts metal keychains are the perfect choice for this, as they are durable, eye-catching, and can be customized with a company logo or message.

In addition to being a great promotional item, metal keychains are also ideal for personal use. They make a great gift for friends and family, and can be customized with a name or special message. Whether you are looking for a gift for a birthday, wedding, or other special occasion, Progifts custom metal keyrings are sure to be appreciated.

Another popular use for metal keychains is as a trolley coin keychain. These keychains feature a slot for a trolley coin, which can be used to unlock shopping carts at the grocery store. Progifts metal trolley coin keychains are a great choice for anyone who frequently shops at the grocery store and wants to avoid having to carry around loose change.

Finally, metal keychains are also a great choice for anyone who wants to keep their keys organized and easily accessible. The keyring with lobster clasp attachment makes it easy to attach the keychain to a bag or belt loop, ensuring that your keys are always within reach. Overall, Progifts metal enamel keyrings are a versatile and useful item that can be used in a variety of occasions and scenarios. Whether you are looking for a promotional item for your company, a gift for a friend or family member, or a convenient way to keep your keys organized, Progifts has the perfect custom metal keyring for you.

#### Packing and Shipping:

Product Packaging:

Each key chain is individually wrapped in a protective plastic bag.

All key chains are then placed in a sturdy cardboard box.

The box is sealed with packing tape to ensure safe delivery.

Shipping:

Shipping fees will be calculated at checkout based on the destination and package weight. We offer shipping agency service, as well as official shipping company such as UPS, FedEx, DHL etc. You can also pick up the goods from our factory if you have your own shipping agency.
