## Product Description

### Antique Gold Round Brass Stamped Souvenir Awards Medals American Revolution Design

#### Product Description:

Our Badges and Medals product comes with an antique gold finishing, giving it a classic and sophisticated look that is perfect for any occasion. Whether you are recognizing individual achievements or commemorating a team win, these custom metal badges will make the perfect keepsake to remember your special moment.

The Badges and Medals product comes with a short ribbon and safety pin attachment, making it easy to wear or display your badge. The round shape of the badge allows for ample space to showcase your design or message, ensuring that your badge will stand out and be noticed.

This American Revolution Award Medal Badge leaves two blank lines so you can laser engrave the awarded names and dates.

Our custom metal badges are perfect for a variety of occasions, including sports events, corporate awards, military honors, and much more. With a durable and long-lasting design, these badges are sure to become treasured keepsakes that will be cherished for years to come.

Order your own custom metal badges today and experience the high quality and sophisticated design that our Badges and Medals product has to offer. Whether you are looking for custom medal badges, metal award medals, or custom metal badges for any occasion, we have you covered.

#### Applications:

The badges and medals are attached to clothing using a short ribbon with a safety pin, making them easy to wear and display. The size of the badges and medals is 33mm in diameter, making them the perfect size for showcasing the design and message being conveyed. These badges and medals are suitable for a wide range of occasions and scenarios. They can be used in corporate settings to recognize employee achievements, such as hitting sales targets or completing projects on time. They can also be used in educational settings to acknowledge academic excellence or leadership skills.

Custom metal badges, custom award medals, and custom medal badges can also be used in sports events, such as marathons or team competitions. These badges and medals can be designed to showcase the event logo or message, making them a great souvenir for participants to take home and cherish for years to come.

Furthermore, these badges and medals can be used in military and government settings to recognize bravery, loyalty, and service. They can also be used in non-profit organizations to acknowledge the contributions of volunteers and donors.

In conclusion, Progifts' custom metal badges, custom award medals, and custom medal badges are versatile, durable, and can be used in a variety of settings. Their high quality and attention to detail make them the perfect choice for recognizing achievements, acknowledging contributions, and commemorating events.

#### Support and Services:

Our Badges And Medals product comes with comprehensive technical support and services to ensure that our customers have a seamless experience.

Our technical support team is available to assist with any questions or concerns regarding the product, including troubleshooting and installation. We also offer ongoing maintenance and repair services to keep your badges and medals in top condition.

In addition, we provide customization services to create unique badges and medals tailored to your specific needs. This includes design consultation, artwork creation, and production.

Our goal is to provide our customers with high-quality products and exceptional service. If you have any questions or require any assistance, please do not hesitate to contact us.

### Packing and Shipping:

Product Packaging:

All badges and medals are carefully placed in a polybag, and 20/25/50pcs in a big polybag.

The badges are then placed in a sturdy cardboard box for extra protection during shipping.

Shipping:

Shipping times vary depending on the destination, but typically take between 3-7 business days.

Customers will receive a tracking number via email once their order has been shipped.

### FAQ:

**Q: What materials are used to make the badges and medals?**

A: The badges and medals are made of high-quality metals such as brass, copper, and zinc alloy. They may also include enamel, epoxy, and other decorative elements.

**Q: Can I customize the design of the badges and medals?**

A: Yes, we offer custom design services for badges and medals. You can provide your own design or work with our team to create a unique design that fits your needs.

**Q: What is the lead time for manufacturing badges and medals?**

A: The lead time varies depending on the quantity, complexity of the design, and availability of materials. Generally, it takes about 10-15 business days for production after the design is finalized and approved.
