Product Description

Die Cast Zinc Alloy Utah Department Of Public Safety Service Medal Badge

Product Description:

The Enamel Medal Badge is created with high-quality materials, making it durable and long-lasting. The Zinc Alloy used in creating this badge makes it resistant to corrosion and rust, which is essential for preserving its quality. The Die Casting process ensures that the badge is accurately shaped to the desired design, making it a perfect replica of the Utah Department of Public Safety badge.

The Enamel Medal Badge is not just a badge; it is an accessory that signifies authority and respect. Its Gold finishing gives it a luxurious look that is perfect for special occasions. It is H85mm in size, which makes it large enough to make a statement.

Our Gold Medal Badge is also made of Zinc Alloy and crafted through Die Casting. It features a classic design that is perfect for different organizations and institutions. Its Gold finishing gives it a premium look that is perfect for special occasions.

The Gold Medal Badge is a product of high-quality materials, making it durable and long-lasting. This custom metal medal is an excellent choice for a service medal badge or enamel medal badge. It features a moiré ribbon with safety pin attachment and is suitable for awards, recognition, and souvenirs. The design is based on the Utah Department of Public Safety and is created using die casting. The medal measures H85mm and is 4mm thick, made from high-quality zinc alloy, and has a gold finish.

Applications:

The Custom Metal Medal is commonly used in sports events, academic competitions, and corporate events. In sports events, they are awarded to athletes who have shown exceptional skills and sportsmanship. They can be used in academic competitions like spelling bees, debates, and science fairs, where they are awarded to students who have shown exceptional talents and knowledge. In corporate events, they can be awarded to employees who have shown exceptional work performance and contribution to the company.

These Gold Medal Badges come with a Moiré Ribbon and Safety Pin attachment, making it easy to wear and display. The Ribbon is about 85mm long and complements the gold finish of the medal, making it look more elegant. The safety pin ensures that the medal stays in place and does not fall off easily.

Progifts' Metal Award Medals are also suitable for various scenarios like military ceremonies, charity events, and graduation ceremonies. In military ceremonies, they are awarded to soldiers who have shown exceptional courage and bravery in the line of duty. In charity events, they can be awarded to volunteers who have shown exceptional dedication and commitment to the cause. In graduation ceremonies, they are awarded to students who have shown exceptional academic performance and achievements.

These Custom Metal Medals are 4mm thick, making them durable and long-lasting. They are also customizable, allowing you to add your own design, logo, or text. This makes them perfect for special events and occasions, where you want to create a unique and personalized experience for your guests.

Customization:

At Progifts, we offer top-notch product customization services for our Service Medal Badge and Metal Award Medals products. Our

badges and medals are made with high-quality Zinc Alloy material and finished with Gold for a premium look. We use the die-casting process to ensure that each product is crafted with precision and care. Our customization services include the option to add Moiré Ribbon With Two Butterfly Clutch attachment to each medal or badge. This attachment is perfect for displaying your award or recognition on clothing or accessories. Our Custom Award Medals are perfect for awards, recognition, and souvenirs. We take pride in our work and strive to ensure that each product is tailored to meet your specific needs. All of our products come from our place of origin, Zhongshan, China, where we maintain the highest standards of quality and craftsmanship.

Packing and Shipping:

Product Packaging:

All badges and medals are carefully packed in individual plastic bag to prevent scratching or damage during shipping.
They are then placed in a sturdy cardboard box with appropriate cushioning to ensure safe transportation.

Shipping:

We offer worldwide shipping through reliable carriers.
Shipping costs and delivery times will vary depending on the destination and shipping method selected.
Customers will be provided with a tracking number to monitor the progress of their shipment.
