Product Description

Zinc Alloy Die Casting Copper Finishing Masonic Badge for Awards and Souvenirs

Product Description:

These custom award medals are designed using die casting, a process that ensures the highest level of precision and accuracy. The metal plate with safety pin attachment makes it easy to wear and display these medals proudly. One unique design of these medals is the Freemasonry design. This design is perfect for organizations that value brotherhood, unity, and shared values. The copper finishing on these medals adds a touch of elegance and sophistication, making them a treasured keepsake for years to come.

These badges and medals are perfect for any occasion where recognition and celebration are in order. Whether you are recognizing employee achievements, celebrating athletic success, or honoring military service, these medals are a great way to show you care. Overall, these Badges and Medals are a stunning way to recognize and celebrate success. With their durable construction, exquisite design, and timeless appeal, they are sure to be treasured for years to come.

Applications:

Our copper medal badge is the perfect accessory for formal events such as academic ceremonies, graduations, and corporate events. The height of 55mm and thickness of 3mm make it an eye-catching addition to any outfit. The metal plate with safety pin ensures that it can be securely attached to clothing without causing damage or discomfort.

These badges and medals make great gifts for employees, students, athletes, and volunteers. They can be customized with specific designs and logos to fit the occasion. Our badges and medals are also suitable for military and government use, as they can be used to mark achievements and distinguish ranks.

Our badges and medals are also perfect for sports events such as tournaments and championships. They can be awarded to winners and participants to commemorate their achievement. Our badges and medals are also great for charity events, as they can be used to recognize donors and volunteers.

In conclusion, Progifts custom metal badges and metal award medals are versatile and can be used for various occasions and scenarios. Our copper medal badge is a great addition to any formal outfit, while our badges and medals can be customized for specific events and purposes. Our products are of the highest quality and durability, thanks to our die casting process. Order from us today and make your event or occasion one to remember.

Packing and Shipping:

Product Packaging:

All badges and medals will be individually wrapped in protective plastic bag.

They will then be placed in a sturdy cardboard box with adequate padding to prevent damage during shipping.

Shipping:

We offer worldwide shipping for our badges and medals.

Shipping rates will vary depending on the destination and the weight of the package.

Orders will be shipped within 1-2 business days after balance received.

Customers will receive a tracking number via email once their order has been shipped.
