Applications:

One of the key features of this product is its 3D design and rotation part. The design of this Metal Bottle Opener is inspired by the theme of US Navy, which makes it a perfect gift for aviation enthusiasts or those who have served in the US Navy. The 3D design adds a touch of elegance to the product, making it an attractive addition to your bar or kitchen décor.

This product is versatile and can be used in a variety of occasions and scenarios. Whether you are hosting a party, having a family gathering, or enjoying a quiet evening at home, this Zinc Alloy Bottle Opener is a must-have accessory. It is perfect for opening beer bottles, soda bottles, and even wine bottles.

If you are a bar owner or a bartender, this product can help you increase your efficiency and productivity. Its 3D design and easy-to-use rotation part make it easy to open bottles quickly and efficiently. It is also a great way to impress your customers and add a touch of elegance to your bar accessories.

Overall, the Progifts Custom Metal Bottle Opener is a high-quality product that is perfect for all your bottle opening needs. Its durable Zinc Alloy construction, 3D design, and rotation part make it a versatile and attractive addition to your bar or kitchen accessories. So, whether you are a beer enthusiast, a wine lover, or a bartender, this product is a must-have accessory for you.

Packing and Shipping:

Product Packaging for Metal Bottle Openers:

Each bottle opener will be individually packaged in a clear plastic sleeve and then bubble wrap to protect the product during shipping.

All the individually packed bottle openers will be placed in a box with protective padding to avoid any damage during transit.

The box will be sealed securely with tape to ensure that the product does not fall out of the box during shipping.

Shipping Information for Metal Bottle Openers:

We offer worldwide shipping for our metal bottle openers.

Shipping rates will vary depending on the destination and the weight of the package.

Orders will be shipped within 1-2 business days after balance received.

Customers will receive a tracking number via email once their order has been shipped.
