## Product Description

### Custom Zinc Alloy Diecast Antique Silver Triathlon Medal with Heat Transfer Ribbon

#### Product Description:

The Metal Triathlon Medals come in a size of Dia 60mm, ensuring that they are large enough to make a statement. The size is perfect for adding all the necessary details about the event, the athlete, and the sponsor. The medals come in an Antique Silver finish, adding a touch of elegance to the design. The finish is durable and will not fade or tarnish over time.

The Triathlon Medal is versatile and can be used for various competitions, including triathlons, marathons, and other athletic events. The product is perfect for athletes who want to commemorate their achievements and for sponsors who want to show their support for the event. The Sponsor Medal is an excellent way for companies to gain exposure and recognition.

The Soft Enamel Colors on the Triathlon Metal Medals add a pop of color to the design. The colors are vibrant and will not fade over time. The soft enamel technique used to apply the colors ensures that they are long-lasting and will not rub off. The colors are customizable to match the event's branding or the sponsor's logo.

In conclusion, our Metal Sports Medal is the perfect choice for Triathlon events. The Custom Triathlon Medals are made of high-quality metal and come in a size of Dia 260mm. The Antique Silver finish adds a touch of elegance to the design, and the Soft Enamel Colors add a pop of color. The Triathlon Medal is versatile and can be used for various competitions, making it an excellent investment for athletes, organizers, and sponsors. The Sponsor Medal is an excellent way for companies to gain exposure and recognition. Get in touch with us today to order your Metal Triathlon Medals!
