Product Description

State Cup Champion Medal Zinc Alloy Die Casting Antique Medal With Sublimation Ribbon

Product Description:

Our Metal Sports Medals are made with a thickness of 5.5mm, ensuring a durable and long-lasting product. The antique bronze finish gives the medal a classic and timeless look that will be cherished for years to come. The absence of enamel colors accentuates the antique finish and adds to the overall aesthetic of the medal.

The Custom Metal Medal is made using the die casting process, ensuring a high level of detail and precision in the design. This process allows for intricate designs and logos to be included in the medal, making it truly unique and personalized to the event it represents.

The medal is perfect for State Cup Events, where it can be awarded to individuals or teams who have shown exceptional skill and sportsmanship. It can also be used as a participation award for all participants, giving them something to remember the event by.

With the option for custom engraving, the Metal Antique Medals can be personalized even further, making them a great keepsake for the recipient. Our team can work with you to create a design that perfectly represents your event and the achievements that it celebrates.

Overall, our Metal Sports Medal product is the perfect choice for anyone looking for a custom and high-quality medal for their State Cup Events. With its durable construction, timeless design, and personalized engraving options, it is sure to be a cherished and memorable keepsake for all who receive it.
