Route 68 Challenge Copper Finish Metal Running Medal For Marathon Events

Product Description:

The medals are available in custom shapes, allowing you to choose a design that perfectly represents your event. The die casting logo process way ensures a precise and accurate representation of your logo or design. The finish is a beautiful copper color that adds a touch of elegance and sophistication to the medal.

The Marathon Metal Medals are also available in soft enamel colors, which means that you can customize the color of the medal to match your branding or event theme. This makes the medal a great option for event organizers who want to create a lasting impression on their participants.

These medals are not only a great way to recognize the hard work and dedication of participants, but they also serve as a great marketing tool for your event. Participants will proudly display their medal, which will generate buzz and excitement for your event. Overall, our Marathon Metal Medals are a must-have for any sports event, marathon, or competition. With their high-quality materials, custom shape, and beautiful finish, they are sure to impress and leave a lasting impression on participants and spectators alike.
