Product Description

Zinc Alloy Die Casting Copper Finish Round Shape Marathon Medal with Heat Transfer Ribbon

Product Description:

The Finisher Medal, also known as the Marathon Medal, is a must-have for any serious runner. The medal is made of durable metal that ensures it will last for years to come. The copper finish gives it a classic and timeless look that will be appreciated by all. The Metal Enamel Medals are perfect for any event or challenge, especially the Route 68 Challenge. The enamel adds a pop of color that will stand out against the copper finish.

Our Custom Finisher Medals can be personalized with your event logo or design. The Die Casting process allows for intricate details and a perfect replication of your design. The result is a medal that truly represents your event and is sure to be treasured by all participants. The attachment for our Metal Custom Medals is a Heat Transfer Ribbon. This ribbon is durable and comfortable to wear, making it the perfect addition to any medal.

Overall, our Metal Custom Medals are the perfect way to commemorate any marathon event or challenge. The high-quality finish, personalized design, and comfortable attachment make it a must-have for all participants.

Applications:

These metal running medals are ideal for marathon events. Runners who complete the race can be awarded the Progifts Finisher Medal, which serves as a token of their accomplishment. The medal's custom shape and large size of Dia 80mm make it a memorable keepsake that will be cherished for years to come.

The Metal Souvenir Medals can also be used for other sporting events, such as the Route 68 Challenge. Participants can be awarded the Progifts Marathon Medal as a commemoration of their participation and achievement. The medal's size and custom shape make it a unique and valuable souvenir that will be treasured by the participants.

Progifts Metal Souvenir Medals are not just limited to sporting events. They can also be used in other occasions, such as corporate events or academic competitions. The custom shape and design of the medals can be tailored to fit the theme of the event, making it a perfect keepsake for the attendees.

In conclusion, Progifts Metal Souvenir Medals are a versatile and valuable addition to any event. Their durability, attractive finish, and custom shape make them a perfect token of achievement and commemoration for any occasion.

Customization:

Looking for a unique way to commemorate your next marathon event or Route 68 Challenge? Look no further than Progifts' Custom Metal Medals. Each medal comes with a heat transfer ribbon attachment, making it easy to display and wear. These custom challenge medals are the perfect way to commemorate your next big athletic event.

Order your custom metal medal from Progifts today and add a unique touch to your next marathon or Route 68 Challenge.

Packing and Shipping:

Product Packaging:

The metal sports medal will be packaged in a protective plastic bubble bag to prevent scratches or damage during shipping.

The medal will then be placed in a cardboard box with additional padding to further protect it during transportation.

The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal sports medal will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx.

Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally.

A tracking number will be provided to the customer once the medal has been shipped.

Any issues with shipping or delivery can be communicated to our customer service team for support.
