Product Description

Antique Silver Finish Round Marathon Zinc Alloy Medal with Sublimation Ribbon

Product Description:

The Die Casting process used to create these Custom Sport Medals ensures that your design is accurately represented with crisp and clear lines. Whether you're running a marathon, competing in a triathlon, or participating in any other athletic event, our Metal Sports Medals are the perfect way to celebrate your accomplishments.

The Antique Silver finish adds a touch of elegance to these medals, making them the perfect addition to any trophy case or display. The finish is durable and long-lasting, ensuring that your medal will look great for years to come.

Our Metal Sports Medals are fully customizable, allowing you to add your own unique logo or design. Whether you're representing a sports team, a charity organization, or simply want to add a personal touch to your medal, our customization options make it easy to create a one-of-a-kind piece.

At 3mm thick, these medals are substantial enough to feel weighty and significant, but not so heavy as to be cumbersome. They are the perfect size and weight to wear around your neck, or to display on your wall.

Our Metal Sports Medals are perfect for any athlete, whether you're a seasoned pro or just starting out. They make a great gift or award for anyone who loves sports or physical activity.

So if you're looking for a high-quality, durable, and customizable medal to commemorate your athletic achievements, look no further than our Metal Sports Medals. Order yours today and start celebrating your accomplishments in style!

Whether you are looking for a custom sport medal or a medal for a special event, Progifts has you covered. Our Die Casting process ensures that every medal is unique and of the highest quality possible. Contact us today to learn more about our custom metal medal options.

Packing and Shipping:

Product Packaging:

The metal sports medal will be packaged in a protective plastic bubble bag to prevent scratches or damage during shipping.

The medal will then be placed in a cardboard box with additional padding to further protect it during transportation.

The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal sports medal will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx.

Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally.

A tracking number will be provided to the customer once the medal has been shipped.

Any issues with shipping or delivery can be communicated to our customer service team for support.

FAQ:
