Applications:

These metal sports medals are the ideal accessory to recognize and reward the efforts of the winners and participants in different sports. Gymnastics is one such sport that requires hard work and dedication, and these medals serve as the perfect keepsake for the participants and winners. These metal sports medals are not only limited to gymnastics but can be used in other sports such as football, basketball, cricket, and tennis.

Progifts metal sports medals are not just limited to sports events but can also be used in other scenarios. For instance, in academic institutions, these medals can be awarded to students who excel in sports. Also, at corporate events, these medals can be used to acknowledge and reward employees who participate in team building activities.

In addition to sports medals, Progifts also offers metal place medals. These place medals are an excellent way to recognize the participants who come in second or third place. They can also be used to recognize participants in other categories such as best team player or most valuable player.

The soft enamel colors on the metal sports medals make them stand out and add an aesthetic appeal to the product. The different colors available make it easy to match the medals to the color scheme of the event.

In conclusion, Progifts metal sports medals are versatile and can be used in various scenarios, including sports events, academic institutions, and corporate events. The sturdy and durable design of the medals ensures that they can be treasured for years to come. These metal sports medals are the perfect way to recognize and reward the efforts of the winners and participants in different sports.

Packing and Shipping:

Product Packaging:

The metal sports medal will be packaged in a protective plastic bubble bag to prevent scratches or damage during shipping.

The medal will then be placed in a cardboard box with additional padding to further protect it during transportation.

The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal sports medal will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx.

Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally.

A tracking number will be provided to the customer once the medal has been shipped.

Any issues with shipping or delivery can be communicated to our customer service team for support.
