Product Description

Custom Iron 3rd Place Gymnastics Medal with Glitter Color and Sublimation Ribbon

Product Description:

This round medal boasts a diameter of 50mm, making it a substantial and impressive addition to any award ceremony or trophy case. The epoxy coating not only adds a stunning shine, but also protects the medal from wear and tear over time. Additionally, the back of the medal is polished and can be laser engraved with your desired text or design, allowing for further customization and personalization of your awards. The sublimation ribbon attachment also adds a pop of color and can be customized to match your team or event's branding.

These custom sport medals are perfect for recognizing outstanding performances or achievements in a variety of sports and activities, from track and field to academic decathlons. The glitter color adds a touch of fun and excitement to the traditional medal design, making it a memorable keepsake for recipients.

Order your own epoxy coated metal medal today and elevate your awards ceremony to the next level. Our Metal Sports Medal is sure to impress and leave a lasting impression on your recipients.
