Gold Finish Zinc Alloy Metal Football/Soccer Champion Medal with Sublimation Lanyard

Product Description:

Our soccer metal medals are made from high-quality materials and are designed to last for years to come. The back of each medal is embossed with your choice of text, allowing you to customize it for your specific event or team. This feature makes our metal sports medals a great choice for tournaments or leagues where multiple awards are given out.

Our logo process way is die cast, which provides a high level of detail and precision. This ensures that your medal will look great and accurately represent your team or event. Our finish is gold, which is a classic and timeless choice. It adds a touch of elegance to your medal and makes it stand out from the crowd.

We use soft enamel colors to add a pop of color to your medal. This type of coloring is durable and long-lasting, ensuring that your medal will stay looking great for years to come. Plus, it allows for a wide range of colors to be used, so you can match your team's colors or choose your favorite shades.

The attachment for our metal sports medals is a sublimation lanyard. This is a great choice for athletes who want to wear their medals proudly. The lanyard is comfortable to wear and won't irritate the skin, even during long tournaments or games. Plus, it allows for easy display of your medal, so you can show off your accomplishment to everyone around you.

Overall, our Metal Sports Medals are the perfect choice for any athlete or team looking to recognize their achievements. They are durable, customizable, and look great. Whether you're playing soccer, basketball, or any other sport, our medals will make you feel proud and accomplished. So why wait? Order your custom sport medals today!

With their durable zinc alloy construction, gold finish, die-cast logo process way, and 5.5mm thickness, they are a stylish and professional way to recognize outstanding achievement and performance in a variety of sports and competitions.

Packing and Shipping:

Product Packaging:

The metal sports medal will be packaged in a protective plastic bubble bag to prevent scratches or damage during shipping.

The medal will then be placed in a cardboard box with additional padding to further protect it during transportation.

The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal sports medal will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx.

Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally.

A tracking number will be provided to the customer once the medal has been shipped.

Any issues with shipping or delivery can be communicated to our customer service team for support.
