Product Description

10mm Thick Antique Zinc Alloy Tortoise Design Antique Copper Finish Belt Buckle

Product Description:

The process used to create this buckle is die casting, which ensures that every detail is captured perfectly. The result is a 3D Tortoise design that is both intricate and beautiful. The antique copper plating on this buckle gives it a classic and vintage look that will never go out of style.

Our Metal Belt Clasps are designed to be easy to use and durable. The buckle attachment ensures that your belt stays securely in place, so you never have to worry about it coming loose. This buckle is perfect for both men and women who want to add a touch of elegance to their outfits.

This Metal Man Buckle is perfect for those who enjoy collecting unique and beautiful belt buckles. Its Tortoise shape and 3D design make it stand out from other buckles on the market. The antique copper plating gives it a classic look that will never go out of style.

If you're looking for a high-quality Metal Belt Clasp that is both stylish and durable, then look no further than our Metal Belt Buckle with a Tortoise shape design. With its die-casting process and antique copper plating, this buckle is sure to make a statement.

Packing and Shipping:

Product Packaging:

The metal belt buckle will be packaged in a protective plastic bubble bag to prevent scratches or damage during shipping.

The metal buckle will then be placed in a cardboard box with additional padding to further protect it during transportation.

The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal belt buckle will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx.

Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally.

A tracking number will be provided to the customer once the medal has been shipped.

Any issues with shipping or delivery can be communicated to our customer service team for support.
