Product Description

Antique Copper Zinc Alloy Diecasted Belt Buckle with 3D Tortoise Design

Product Description:

The process used to create this buckle is die casting, which ensures that every detail is captured perfectly. The result is a 3D Tortoise design that is both intricate and beautiful. The antique copper plating on this buckle gives it a classic and vintage look that will never go out of style.

Our Metal Belt Clasps are designed to be easy to use and durable. The buckle attachment ensures that your belt stays securely in place, so you never have to worry about it coming loose. This buckle is perfect for both men and women who want to add a touch of elegance to their outfits.

This Metal Man Buckle is perfect for those who enjoy collecting unique and beautiful belt buckles. Its Tortoise shape and 3D design make it stand out from other buckles on the market. The antique copper plating gives it a classic look that will never go out of style.

If you're looking for a high-quality Metal Belt Clasp that is both stylish and durable, then look no further than our Metal Belt Buckle with a Tortoise shape design. With its die-casting process and antique copper plating, this buckle is sure to make a statement.

Applications:

This metal belt buckle is perfect for various occasions and scenarios, including:

Custom Belt Buckles: The Progifts metal belt buckle can be customized to meet the specific needs and requirements of individuals and organizations. This makes it suitable for use as a custom belt buckle for different events and occasions such as weddings, graduations, and corporate events.

Adjustable Belt Buckle: The Progifts metal belt buckle is designed to be adjustable, which makes it suitable for use with different belt sizes. This feature makes it perfect for individuals who want a belt buckle that can be easily adjusted to fit their waistline.

Metal Belt Clasps: The Progifts metal belt buckle can also be used as a metal belt clasp. It is strong and durable, which makes it perfect for holding the belt in place. This feature makes it suitable for individuals who want a belt buckle that is not only stylish but also functional.

The Progifts metal belt buckle is a versatile product that can be used for different occasions and scenarios. Its unique design, durability, and adjustability make it a perfect choice for individuals and organizations who want a high-quality product that can be customized to meet their specific needs. Whether you are looking for a custom belt buckle, an adjustable belt buckle, or a metal belt clasp, the Progifts metal belt buckle is the perfect choice.

Customization:

Our Tortoise Design Metal Buckle is a perfect addition to your wardrobe. It is a 3.5-inch buckle with an antique copper plating that gives it a classy and vintage look. This buckle is perfect for any occasion and can easily be paired with any belt to elevate your outfit.

Our Metal Belt Buckle is made in Zhongshan, China, and reflects our commitment to quality and craftsmanship. With its unique tortoise shape, it is sure to catch the attention of everyone around you.

At Progifts, we offer product customization services to make your buckle even more unique and personalized. Contact us to learn more about our customization options and let us help you make a statement with your style.

Packing and Shipping:

Product Packaging:

The metal belt buckle will be packaged in a protective plastic bubble bag to prevent scratches or damage during shipping.

The metal buckle will then be placed in a cardboard box with additional padding to further protect it during transportation.

The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal belt buckle will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx.

Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally.

A tracking number will be provided to the customer once the medal has been shipped.

Any issues with shipping or delivery can be communicated to our customer service team for support.
