3D Eagle Antique Silver Zinc Alloy US Flag Belt Buckles with Soft Enamel Colors

Product Description:

Constructed from high-quality Zinc Alloy, this belt buckle is both durable and attractive. Zinc Alloy is known for its resistance to corrosion and its ability to hold intricate details, making it an ideal material for custom belt buckles like this one. With a width of 4cm, this belt buckle is suitable for a wide variety of belts, making it a versatile addition to any wardrobe. Whether you're looking to dress up a formal outfit or add a touch of edge to a more casual look, this belt buckle is sure to impress. The die casting process used to create this belt buckle ensures that it is both precise and durable. Die casting involves injecting molten metal into a mold, creating a highly accurate and detailed end product. This process also ensures that the belt buckle is strong and long-lasting, so you can wear it with confidence for years to come. Whether you're looking to add a unique touch to your own wardrobe or create custom belt buckles as a gift for friends or family members, our Zinc Alloy Metal Belt Buckle is the perfect choice. With its stunning 3D design, durable Zinc Alloy material, and versatile 4cm width, this belt buckle is sure to become a treasured accessory in any collection.

Features:

Product Name: Metal Belt Buckle
Design: 3D
Size: 95*70mm
Shape: Flag Shape
Plating: Antique Silver
Background: Textured And Concave
This Metal Belt Buckle is a perfect addition to your collection of Custom Belt Buckles. The 3D design and Flag Shape make it unique and eye-catching. The Antique Silver plating gives it a vintage look, while the Textured and Concave background adds depth and dimension. This Metal US Eagle Buckle is not just a buckle, but a statement piece that will elevate any outfit. The Metal Belt Clasps ensure that your belt stays secure and in place.

Technical Parameters:

Product Attribute	Value

Process	Die Casting
Usage	Custom Belt Buckles

Applications:

The 3D design of the buckle adds depth and texture to the overall look, making it stand out from other belt clasps. The die-casting process used in its manufacturing ensures that the buckle is durable and long-lasting, making it a valuable investment for anyone looking to upgrade their belt. The hook closure type of the buckle ensures that it is easy to use and secure. The buckle's attachment is robust and reliable, ensuring that it stays in place throughout the day. Some of the occasions and scenarios where the Progifts Metal Belt Buckle can be used include formal events, such as weddings, business meetings, and conferences. It can also be used for semi-formal events, such as dinners, parties, and cocktail events. The buckle's unique design and vintage appearance make it an excellent fit for casual events, such as picnics, outings, and family gatherings. The Progifts Metal Belt Buckle can also be used as a gift for friends and family members. Its unique design and durability make it an ideal present for birthdays, Christmas, weddings, and other special occasions. In conclusion, the Progifts Metal Belt Buckle is a versatile accessory that can be used for a wide range of occasions and scenarios. Its antique silver plating, 3D design, and robust construction make it stand out from other metal belt clasps in the market.

Packing and Shipping:

Product Packaging:

The metal belt buckle will be packaged in a protective plastic bubble bag to prevent scratches or damage during shipping. The metal buckle will then be placed in a cardboard box with additional padding to further protect it during transportation. The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal belt buckle will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx. Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally. A tracking number will be provided to the customer once the medal has been shipped. Any issues with shipping or delivery can be communicated to our customer service team for support.
