Product Description

Antique Silver Plated 3D Custom Concave Metal Belt Buckle With Translucent Enamel LIVE TO RIDE TO LIVE Design

Product Description:

Our Metal Belt Buckle is conveniently designed with a Hook closure type, ensuring that it is easy to use and secure. You won't have to worry about it accidentally opening and ruining your look.

The Die Casting process used in the creation of this Metal Belt Buckle ensures that it is of the highest quality. The intricate details of the buckle are carefully crafted, making it a stunning piece that is sure to catch attention. The 89*62mm size is perfect for any standard belt and ensures that it is not too big or too small, making it the perfect fit for anyone.

The Custom shape of our Metal Belt Buckle is a unique feature that sets it apart from other buckles in the market. It gives you the chance to express your individuality and style by choosing a shape that suits your personality. You won't have to worry about having the same belt buckle as someone else because our Metal Belt Buckle is uniquely yours.

Our Metal Belt Buckle is perfect for any occasion, be it formal or casual. It adds a touch of class and sophistication to any outfit, making you stand out from the crowd. The high-quality material and intricate details of the buckle make it a statement piece that everyone will admire.

In conclusion, our Metal Belt Buckle is a must-have accessory for anyone who wants to add a touch of class and sophistication to their outfit. The Alloy Belt Buckle is made of high-quality Zinc Alloy material, ensuring its durability and longevity. The Hook closure type ensures that it is easy to use and secure, while the Die Casting process used in its creation guarantees its quality and intricate details. The Custom shape gives you the chance to express your individuality and style. Get your hands on our Metal Belt Buckle now and elevate your fashion statement to the next level.

Applications:

These alloy belt buckles come in a custom shape and are plated with antique silver, giving them a vintage look and feel. The concave background adds depth and dimension to the design, making it stand out from other belt buckles on the market.

The attachment of these belt buckles is a hook, making it easy to attach to any belt. It also ensures that the buckle stays securely in place, preventing any wardrobe malfunctions.

These metal belt clasps are versatile and can be worn for a variety of occasions and scenarios. They are perfect for formal events, such as weddings, proms, and business meetings, as they add a touch of sophistication to any outfit. They can also be worn casually, with jeans or shorts, for a more laid-back look.

Progifts Metal Belt Clasps are made in Zhongshan, China, a city known for producing high-quality metal products. The attention to detail and precision in manufacturing ensures that each belt buckle is of the highest quality.

In conclusion, if you are looking for a unique and stylish accessory to add to your wardrobe, look no further than Progifts Alloy Belt Buckle. With its antique silver plating, custom shape, and concave background, it is sure to make a statement wherever you go. Its hook attachment and durability make it practical for everyday use, while its versatility makes it suitable for any occasion.

Packing and Shipping:

Product Packaging:

The metal belt buckle will be packaged in a protective plastic bubble bag to prevent scratches or damage during shipping.

The metal buckle will then be placed in a cardboard box with additional padding to further protect it during transportation.

The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal belt buckle will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx.

Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally.

A tracking number will be provided to the customer once the medal has been shipped.

Any issues with shipping or delivery can be communicated to our customer service team for support.
