Packing and Shipping:

Product Packaging:

All custom soft enamel pins are individually packaged in a clear polybag to ensure they arrive in excellent condition.
 Each custom metal pin will be individually packaged in a plastic sleeve to protect it from scratches and damage during shipping.
 The plastic sleeve will then be placed inside a sturdy cardboard box with bubble wrap or packing peanuts to ensure that the pins arrive at their destination in perfect condition.

For orders of 500 pins or more, we offer custom packaging options including backing cards and gift boxes.

Shipping:

Shipping fees will be calculated at checkout based on the destination and package weight. We offer shipping agency service, as well as official shipping company such as UPS, FedEx, DHL etc. Customers will receive a tracking number once the order has been shipped, so they can keep track of its progress and estimated delivery date. You can also pick up the goods from our factory if you have your own shipping agency.
