## Product Description

### Antique Silver Florian Cross Lapel Pin with Butterfly Clutch

#### Product Description:

The Marine Corps Fire Academy Die Struck Pin is made using a die struck process, which ensures that the design is of the highest quality and detail. This is what sets our pins apart from other Fire Academy Pins on the market. The die struck process involves using a metal mold to create a detailed impression of the design. This results in a pin that is both durable and visually appealing. The pin is shaped like a Florian Cross, which is a symbol commonly used in the firefighting profession. The cross is named after St. Florian, the patron saint of firefighters. The Florian Cross is recognized as a symbol of sacrifice, bravery, and heroism. The shape of this pin makes it a unique and meaningful accessory for anyone in the firefighting profession. The Marine Corps Fire Academy Die Struck Pin comes with a butterfly clutch attachment, which makes it easy to attach to any clothing item or accessory. The butterfly clutch is a secure and reliable way to ensure that your pin stays in place throughout the day. This pin is an antique die struck pin, which means that it has a vintage look and feel. The antique finish gives the pin a unique and timeless appearance that is sure to impress anyone who sees it. The antique finish also helps to highlight the intricate details of the design, making this pin a true work of art. In conclusion, the Marine Corps Fire Academy Die Struck Pin is the perfect accessory for any fire academy graduate or enthusiast. The die struck process, Florian Cross shape, butterfly clutch attachment, and antique finish make this pin a one-of-a-kind accessory that is sure to be treasured for years to come. Get your hands on this unique pin today and show off your passion for the firefighting profession!
