Support and Services:

Our Custom Fridge Magnets are made with high-quality materials and are designed to be long-lasting. However, if you experience any issues with your magnets, our product technical support team is available to assist you. Our team can provide troubleshooting assistance and help you find a solution to any problems you may be experiencing.

In addition to technical support, we also offer a range of services to help you get the most out of your Custom Fridge Magnets. Our team can provide customization options to ensure that your magnets are tailored to your specific needs and preferences. We also offer design services to help you create the perfect magnet design, as well as installation and maintenance services to help you keep your magnets in great condition.

Packing and Shipping:

Product Packaging:

All fridge magnets will be individually wrapped in protective plastic bag.

They will then be placed in a sturdy cardboard box with adequate padding to prevent damage during shipping.

Shipping:

We offer worldwide shipping for our metal fridge magnets.

Shipping rates will vary depending on the destination and the weight of the package.

Orders will be shipped within 1-2 business days after balance received.

Customers will receive a tracking number via email once their order has been shipped.
