## Product Description

### Custom Nickel Plating Diecasted Soft Enamel Carnival Prince Medal with Ribbon Attachment

#### Product Description:

Our Carnival Festivities Prince Medals are made from high-quality materials, specifically Zinc Alloy, which guarantees durability and longevity. With a thickness of 2.5mm, these carnival medallions are sturdy and won't easily bend or break. You can be sure that these medals will last for years to come.

The design of our Carnival Festivities Medals is a classic and timeless 2D design. This design ensures that the details of the carnival medallion are visible and clear. With nickel plating, the medals glisten and shine, adding an extra touch of elegance and sophistication to your celebration.

Our Carnival Festivities Medals are proudly made in China, ensuring that they are of the highest quality and standards. You can trust that you are getting a product that is made with care and expertise.

Our Carnival Festivities Medals are not just for carnival celebrations, they can also be used for a variety of other events or occasions. Whether it's a school competition, sports tournament, or even a corporate event, these carnival medallions can serve as a symbol of achievement and recognition.

Overall, our Carnival Festivities Medals are the perfect way to commemorate any carnival celebration. With their high-quality materials, classic design, and elegant plating, these carnival medallions are sure to impress. So, order now and make your next carnival celebration even more memorable with our Carnival Festivities Medals.
