Product Description

FCC Diecast Zinc Alloy Gold Plated Carnival Medal Back with Stamp and Sticker

Product Description:

The Carnival Medal is 5mm thick, making it sturdy and durable. The thickness also adds to its weight, giving it a substantial feel in the hand. The 3D design of the medal is intricate and impressive, with all the details clearly visible and defined.

The Carnival Medal comes with a ribbon attachment, making it easy to display or wear. The ribbon is available in a range of colors, allowing you to choose the one that best matches your needs or preferences. The soft enamel colors used on the medal are vibrant and eye-catching, making it a standout piece wherever it is displayed.

The back of the Carnival Medal is sandblasted, which gives it a smooth and textured finish, and also with a company stamp, and a sticker which includes company information. This finish is perfect for adding custom engraving or personalization, making it an ideal choice for award ceremonies or special events.

The Carnival Medal is made in China, ensuring its high quality and attention to detail. It is crafted with care and precision, ensuring that every medal is of the same top-notch quality.

In summary, the Carnival Medal is a stunning and impressive medal that is perfect for Carnival Clubs looking to award their members with a top-quality medal. Its 5mm thickness, ribbon attachment, soft enamel colors, sandblasted back, and Chinese origin all contribute to making it a medal of the highest quality and craftsmanship.
