## Product Description

### Soft Enamel with Epoxy Colors Acrylic Stones 3 parts Assembled metal carnival medallion

#### Product Description:

Measuring 62mm, this medal is the perfect size to showcase the beautiful design. It is assembled by 3 pieces, so it has 3 layers. The gold plating adds an extra touch of elegance to the medal, making it a true keepsake for years to come. The medal is made of high-quality zinc alloy, known for its durability and strength, ensuring that the medal will last for years.

The process way used to create this carnival medal is diecasting, a method that results in a highly detailed and precise product. The diecasting process involves using a mold to create the design and then pouring molten metal (mainly zinc alloy) into the mold. This results in a medal that is not only stunning in appearance but also has a weighty and substantial feel to it.

One of the most notable features of this carnival medal is its thickness. At 7mm in 3 layers, this medal has a weighty and substantial feel to it, making it a true standout amongst other carnival medals. This thickness also ensures that the medal will last for years, even with frequent use.

In summary, our metal carnival medal is the perfect way to commemorate your participation in any carnival event. Its intricate design and attention to detail make it a true keepsake, while its high-quality materials and manufacturing process ensure that it will last for years.

Don't settle for a generic carnival medal when you can have this stunning 3D carnival medal!

#### Applications:

The Carnival Medals are plated with a lustrous gold finish, adding a touch of elegance to the overall design. They come equipped with a ribbon attachment, making them easy to wear or display. These medals are not just for show, they can also be used as a reward for outstanding performances or achievements during the carnival session.

These medals are versatile and can be used in various occasions and scenarios. They would be a great addition to any carnival parade or festival, providing a unique way to award participants or commemorate the event. They could also be used as a fundraising tool for the carnival, with each medal sold contributing to the overall proceeds.

The Carnival Medals are made in Zhongshan, China, a city known for its rich history in metal crafts. The city's expert craftsmanship is evident in the quality of these medals. The attention to detail and use of high-quality materials make them a standout piece in any collection.

Overall, Progifts' Carnival Medals are an excellent addition to any carnival festivities. They are beautifully designed, made with high-quality materials, and can be used in various occasions and scenarios. Whether it be rewarding outstanding performances or commemorating the event, these medals are sure to impress.
