Product Description

3D Diecasting Antique Gold Carnival Session Medal Back with Sandblasting and Logo

Product Description:

This medal is created using the diecasting process, ensuring that each one is made with precision and attention to detail. The material used is a durable zinc alloy, which ensures that the medal will last for years to come. One of the standout features of this medal is its 3D design, which really makes the design pop and adds depth to the overall look. It's sure to stand out and be noticed by anyone who receives it. The plating on this medal is an antique gold, which gives it a classic and timeless look. The sandblasting on the back of the medal and the back logo add a finishing touch to this already impressive medal. Whether you're looking for a Carnival Session Medal or a Carnival Festivities Medal, our 3D Carnival Medal is the perfect choice. It's a beautiful and unique way to recognize the hard work and dedication of those who participate in your carnival events.
