Applications:

The Carnival Medals are H100xW68mm in size and 4mm thick, making them a substantial piece that can be displayed with pride. The diecasting process ensures that each medal is made to exact specifications, and the sandblasting and back logo gives it a unique and polished finish.

The Carnival Session Medal has a rotation design. So you can put different designs to the front and back of the rotation part.

The Carnival Medals are perfect for a variety of occasions and scenarios. They can be used to commemorate a successful Carnival event, awarded to participants in a parade or competition, or given as a special gift to Carnival enthusiasts.

The Carnival Medals are also perfect for schools and organizations who want to celebrate Carnival season with their students or members. They can be used as a reward for academic or athletic achievements, or as a way to show appreciation for volunteers who have contributed to the organization's success.

Whether you are participating in a Carnival event, hosting a celebration, or simply want to show your love for the festive season, Progifts' Carnival Medals are the perfect choice. Their high-quality construction and unique design make them a standout piece that anyone would be proud to own.
