Product Description

3D Diecasting Godzilla Movie Theme UV Printed Metal Lapel Pin with Rubber Clutches

Product Description:

Each die-casted Godzilla pin badge is made with premium zinc alloy, giving them a hefty weight and feel. The soft enamel process provides a textured finish that highlights the intricate details of the iconic Godzilla design. The black nickel finishing gives the pins a sleek and modern look, making them perfect for any outfit or occasion.

Our Custom Godzilla Lapel Pin features a rubber clutch attachment that ensures the pin stays securely in place throughout the day. The rubber clutch also provides added comfort and prevents any accidental pricks or scratches that may occur with other types of pin attachments.

Whether you're a collector of Godzilla memorabilia or simply a fan of the iconic movies, our Custom Soft Enamel Pins are a must-have addition to your collection. These pins are perfect for displaying on jackets, backpacks, hats, and other accessories, allowing you to showcase your love and appreciation for the classic monster franchise.

Order your Custom Godzilla Lapel Pin today and add a touch of nostalgia and fandom to your everyday look. These pins also make great gifts for friends and family who share the same passion for the beloved Godzilla movies.

Applications:

These UV Print Godzilla Lapel Pins are perfect for a wide range of occasions and scenarios. Clubs and societies can use them as a way to identify members or to promote their group. Companies can use them as part of their marketing campaigns, whether as a giveaway or as a way to reward employees. Schools and universities can use them as a way to reward student achievement or as part of their graduation ceremonies.

These Diecasted Godzilla Pin Badges are also great for personal use. Fans of the franchise can add them to their collection or use them as a way to show off their love for the character. They can be worn on clothing, bags, hats, or displayed in a collection. They make great gifts for friends and family who share a love of Godzilla.

Measuring at 50x35mm, these Metal Godzilla Pin badges are big enough to make an impact but not too big that they become cumbersome. The UV printing process ensures that the colors are bright and vibrant, making the design stand out. The diecasting process ensures that the design is sharp and detailed, making the badge a true work of art.

Progifts is proud to manufacture these UV Print Godzilla Lapel Pins in our factory in Zhongshan, China. We take pride in our workmanship and ensure that every product that leaves our factory is of the highest quality. Get your hands on these Diecasted Godzilla Pin Badges today and show off your love for the iconic monster!

Product Packaging:

Each custom soft enamel pin is individually packaged in a clear plastic bag to protect it from scratches and damage during shipping.

For orders of 500 pins or more, we offer custom packaging options including backing cards and gift boxes.

Shipping:

Shipping fees will be calculated at checkout based on the destination and package weight. We offer shipping agency service, as well as official shipping company such as UPS, FedEx, DHL etc. You can also pick up the goods from our factory if you have your own shipping agency.

FAQ:

Q: What are custom soft enamel pins?

A: Custom soft enamel pins are personalized pins made with a raised metal surface and recessed enamel fillings. They are perfect for showcasing logos, designs, and messages on clothing, bags, and other accessories.

Q: How are Progifts custom soft enamel pins made?

A: Progifts custom soft enamel pins are made by stamping a design onto a metal sheet, cutting it out, and then filling the recessed areas with enamel colors. The pins are then baked to harden the enamel and polished for a smooth finish.

Q: What is the minimum order quantity for Progifts custom soft enamel pins?

A: We have no minimum order quantity request, but suggest to order more than 100pcs to cover the mold cost.

Q: How long does it take to produce Progifts custom soft enamel pins?

A: The production time for Progifts custom soft enamel pins varies depending on the quantity and complexity of the design. Generally, it

takes around 10-15 days for production and additional time for shipping.

Q: Where are Progifts custom soft enamel pins made?

A: Progifts custom soft enamel pins are made in Zhongshan, China, where our experienced craftsmen use high-quality materials and modern techniques to create custom pins that meet our clients' specifications.
