Applications:

The set comes with 7pcs of metal dice, each measuring 14mm in size. The metal material ensures longevity and a satisfying weight in the hand, making each roll feel more impactful and immersive.

The metal dice set is perfect for a variety of gaming occasions and scenarios. For tabletop games such as Warhammer, Settlers of Catan, or any other game that requires dice rolls, these metal dice will enhance the overall gameplay experience. The modern design of the dice adds an extra layer of sophistication to the gaming table, making them perfect for game nights with friends or family gatherings. For DnD players, the metal dice set is an essential addition to any adventurer's toolkit. The unique sound and feel of the metal dice add an extra level of excitement to each roll, making the game even more immersive. The durability of the metal material ensures that the dice will withstand countless adventures, making them a long-lasting investment for any dedicated player.

Overall, Progifts' metal dice set is a versatile and high-quality product that will enhance any tabletop gaming experience. Whether you're playing a classic board game or embarking on a DnD quest, these metal dice will add an extra level of excitement and sophistication to the game.
