Applications:

The polished finish of the metal dice set gives them a modern, sleek look that is perfect for gamers who want to make a statement at their next game night. The durability of the metal dice ensures that they will last for a long time, even with frequent use.

These metal dice are perfect for a variety of occasions and scenarios. Whether you are a serious gamer looking to upgrade your dice collection or a casual player who wants to add a touch of style to your game night, these metal dice are the perfect choice.

For tabletop game enthusiasts, these metal dice are perfect for games like Dungeons and Dragons, Warhammer, and Pathfinder. The precision and weight of the dice make them ideal for rolling in all kinds of games, providing a satisfying feel and sound every time they hit the table.

These metal dice sets come with seven dice in a set, including a D4, D6, D8, D10, D12, D20, and percentile dice. This quantity is perfect for most games and ensures that you have all the dice you need to play your favorite games.

Overall, these metal dice sets are a must-have for any serious tabletop gamer or DnD enthusiast. With their high durability, modern style, and versatility, there is no better choice for your next game night than Progift's stock metal dice for sale.

Customization:

At Progifts, we offer product customization services for our metal dice set. Our zinc alloy dice set is perfect for tabletop games or DND enthusiasts. The polished finish ensures that the dice have a sleek and elegant look, while the high durability ensures that they can withstand repeated use. The dice measure 16mm in size, making them easy to handle and roll. Choose from plating options of silver, gold or copper to make your dice truly unique. Make your next game night a memorable one with a custom DND metal dice set from Progifts.
