### Product Description

#### Metal Antique Danville Half Marathon Running Medal with Printed Sublimation Lanyard

##### Product Description:

Metal Custom Medals are a timeless and prestigious way to commemorate achievements in various sports events. The Metal Sports Medal, with a size of Dia 63mm, is a stunning example of a Running Finisher Medal that embodies the spirit of competition and dedication.

The logo on this exquisite medal is crafted using the Diecasting process, ensuring a high level of detail and durability. The intricate design and craftsmanship of the logo make it a standout feature of this Custom Sport Medal, adding a touch of elegance to the overall aesthetic. For added convenience and functionality, the Metal Sports Medal comes with a Printed Sublimation Lanyard attachment. This lanyard not only provides a stylish way to display the medal but also offers a practical solution for wearing it during sports events or ceremonies.

The theme of the Metal Sports Medal is inspired by the Danville Virginia Half Marathon, making it a meaningful and memorable keepsake for participants and winners of the event. The design elements and color scheme reflect the spirit and essence of the marathon, capturing the essence of the competition and camaraderie.

With a thickness of 3mm, the Metal Sports Medal exudes a sense of quality and substance, making it a substantial and impressive award for athletes and participants. The weight and feel of the medal add to its overall appeal, creating a sense of accomplishment and pride for recipients.

Whether you are a seasoned athlete, a passionate sports enthusiast, or a dedicated event organizer, the Metal Sports Medal is a

### Applications:

Crafted in Zhongshan, China, this medal boasts an Antique Silver Plating finish that exudes elegance and sophistication. The size of Dia 63mm provides a substantial and impressive appearance, making it a standout piece for winners and finishers alike. The logo process way of diecasting ensures that the intricate details of the design are captured with precision and durability, adding a touch of personalization to the medal. Whether it's a logo, text, or symbol, the diecasting process guarantees a professional and polished result.

The Metal Antique Danville Half Marathon Medal is versatile in its application occasions and scenarios. It is ideal for half marathons, running events, sports competitions, and athletic achievements. Participants and winners will proudly wear this medal as a symbol of their hard work, dedication, and success.

To complete the medal presentation, each piece comes with a printed sublimation lanyard attachment. This lanyard adds convenience and style to the medal, allowing recipients to easily wear and display their well-deserved accolade.

In conclusion, Proffits Metal Antique Danville Half Marathon Medal is a premium choice for running finisher medals, metal running medals, and custom sport medals. Its exceptional quality, elegant finish, and personalized touch make it a memorable and cherished keepsake for athletes and participants.

### Customization:

Enhance your running experience with our customizable Metal Sports Medal, perfect for commemorating your achievements. This Running Medal can be personalized with the sponsor's brand name, and the landmark and scenic spots of the city, and is crafted from high-quality Zinc Alloy in Zhongshan, China. The medal features an Antique Silver Plating finish, displaying a diameter of 63mm and a thickness of 3mm. It comes with a printed sublimation lanyard for easy wear. Celebrate your victories with a unique touch by customizing this Running Finisher Medal to suit your preferences.

### Packing and Shipping:

Product Packaging:

Each medal will be placed in a protective plastic bubble bag to prevent scratching.  
Multiple medals will be packaged together in big polybag tightly for added protection.  
The medal will then be placed in a cardboard box with additional padding to further protect it during transportation.  
The box will be sealed securely with tape to ensure the medal does not fall out or become lost in transit.

Shipping:

The metal sports medal will be shipped via standard shipping with a reputable courier such as UPS DHL or FedEx.  
Shipping times will vary depending on the destination, but customers can expect delivery within 3-5 business days normally.  
A tracking number will be provided to the customer once the medal has been shipped.  
Any issues with shipping or delivery can be communicated to our customer service team for support.
